## QUALITY, COMFORT AND DURABILITY FEATURES

### Craftsmanship

- Bench made by an individual skilled craftsman.

### Foam

- Premium 1.8 density/28 lb compression CA 117 foam in seat and sides for added durability and comfort.
- Premium virgin hollow fill fiber on seat and back cushions for added softness, fullness and resiliency. Cushions include Dacron fiber wrap for extra softness.

### Frame

- Computer Numerically Controlled (CNC) routed
- Corner blocked and constructed with 1" Oak and hard woods.
- Seat support is maintained with 8 gauge Super-Loop Solid Steel no-sag seat springs.
- Teflon coated clips prevent spring noise.

### Fabric

- 100% polyester micro fiber fabric with knitted back
- Treated with a DuPont Teflon for built in stain resistance and durability
- Cleaning code W (water or mild soap solution)
- Seams feature 6 stitches per inch.

### Logos

- Officially licensed product.
  - NFL, NASCAR and most college feature advanced radio frequency welded durable and cleanable vinyl team logos
  - MLB, NBA and some college feature embroidered uniform patches.
